TRIAC Services Limited are specialists in all types of Variable Speed Drive systems particularly on Air Handling Units and Pumps. We have worked with most Facilities Management companies for over 18 years on many sites and are approved suppliers. We are also ABB HVAC Partners.

TRIAC ON-SITE SERVICE - TRIAC has mobile service teams able to repair on-site ANY make or TYPE of **Variable Speed Drive system**. We have both mechanical and electrical engineers and have certified lifting equipment with specialist tools for all repairs INCLUDING **Fan bearings and repairs** and **Pump bearings, mechanical seal kits, gaskets**. We stock parts for Holden&Brook, Pullen, Grunfoss etc. We do all work **ON SITE** and **IN-SITU** and have over 20 years experience and provide advice to keep your drives going. **NEED HELP? – CALL TRIAC !**

TRIAC STOCK ALL NEW ABB ACH550 INVERTERS 1.1 to 55kW
INVERTER DRIVES – **ABB (Authorised HVAC partner)** at **VERY COMPETITIVE PRICES**
We also repair and hold spares for older ABB, VACON, DANFOSS, JAGUAR, etc Inverters

TRIAC STOCK ALL NEW MOTORS EFF1/IE2 RATED up to 55kW
We are **Amtecs/Dutchi motor partners** at **VERY COMPETITIVE PRICES**. We also supply high quality **ABB** and **LEROY SOMER** motors up to the very latest extra high efficiency standard.

TRIAC SUPPLY AND INSTALL DRIVES AT COMPETITIVE PRICES
If you need new drives or intend replacing your old drives ASK TRIAC for a quote – **AND WE CAN FIT THEM, COMMISSION THEM AND GET THEM WORKING WITH YOUR BMS.**

TRIAC “AMBULANCE” INVERTERS – Get a drive working again within 30 minutes.

TRIAC ANNUAL MAINTENANCE SURVEYS – TRIAC do drive PPM service of all drive systems including terminals, test/load readings and a full report with as commissioned software settings.
DO YOUR PUMP AND FAN DRIVES NEED AN ANNUAL SERVICE AND MOT?
(Your car is serviced every 15000miles - a building pump or fan drive does the equivalent of 500000miles per year! **Ask for a TRIAC Drive PPM Service quote for your buildings**)

TASC, TORSPEC, HEENAN DRIVES. Call TRIAC we stock most parts and controllers.

TRIAC WORKSHOP REPAIRS – TRIAC has dynamic test rigs and does repairs to component level. We stock spares for most drives and can also offer cheaper service exchange units.

We are a Carillion/Norland/Cofely/Mitie/Integral/Jaguar/ISS and SafeContractor approved company and all engineers have CSCS Skillcards and safety exam certificates. We provide individual Method Statements and Risk Assessments for our site work.
