

**HCL** Professional – Affordable – Experienced  
**Equipment Contracts Limited**

**1. STATEMENT OF QUALITY POLICY**

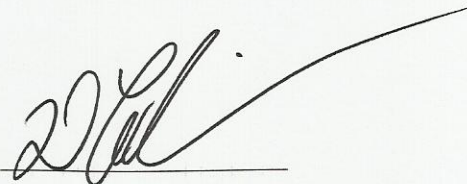

HCL Equipment Contracts Limited are committed to the effective implementation of a Quality Management System satisfying the requirements of BS EN ISO 9001: 2008 and it's on-going improvement.

It is the responsibility of all employees to ensure ongoing compliance with the relevant Quality Procedures and all customer and statutory requirements.

It is the objective of the company to seek continual improvement in all aspects of service quality and to ensure that all contracts are completed to our customers' specifications and on time. These objectives are reviewed at our management review meetings where goals are set and measures for improvement are decided and their implementation planned.

Staff training and the regular reviewing and updating of our quality management system is of the utmost importance, and will ensure that our objectives continue to be met in the most cost effective manner.
