

Welcome...

For over 28 years Camden Group has been at the forefront of technology, manufacturing a comprehensive range of PVCu Windows, Doors, Conservatories and Sealed Glass Units.

All products are made to the highest standards using quality materials, secure hardware and advanced manufacturing techniques.

Camden Group is accredited to:
BS 7950 & 7412 - Enhanced Security
PAS 23/24 & Secured by Design

Panel Door Features...

- Manufactured from PVC, with Styrofoam and MDF inner layers
- High security, multi-point locking systems as standard
- Glass units are internally glazed for extra security
- Low maintenance - clean using water and washing-up liquid
- Camden 10 Year Guarantee on all white and coloured panels
- Excellent thermal insulation and weather resistant properties
- Durability - PVC will not warp, rot or corrode
- Longer lasting performance than timber doors

Door Colour Options...

Our panel range is available in the following popular colours...

Backing Glass Options...

Our panel range and sidelight options are available with the following backing glass options...

Other Door Styles...

French Doors

With two openings, French doors are ideal for both interior and exterior use and allow unrestricted access.

Special Doors

Door frames can be manufactured to any shape or size. Matching shaped sidelights/fanlights also available.

Stable Doors

Similar to a traditional stable door: sash in top half can open whilst the bottom remains closed.
