## Accessories

### Cover Caps

Flush fitting against the frame –  
White or Black available.

### SDS Drill Bits

Full range of SDS drill bits  
available upon request.

# Rapier StarFix™

The **RapierStar®** brand stands for high quality, superior performance fixings.

The result of a decade of continual improvement, the patented **RapierStar®** product range ensures complete professional and consumer confidence.

### Safe

The precision StarDrive™ recess provides optimum drive efficiency improving grip and extending bit life.

### Faster & No Wastage

No need for a plug means a quicker application. StarFix™ direct frame anchors eliminate the wastage associated with nylon installation fixings.

### Secure

High thread cuts into masonry whilst the low thread compacts loose material for maximum holding power.

## Rapier® StarFix

The award winning Rapier StarFix™ is probably the most efficient direct frame anchor available. The patented StarForm™ thread provides 30% lower drive-in torque and up to 50% quicker assembly. A cost effective and time saving installation with exceptional holding power.

- No plug required, time saving installation
- Only 6mm pilot hole required through frame, reinforcement and brickwork
- Universal for all common applications
- Long lasting and stress free stand-off fixing
- Cost effective and simple

Suggested minimum screw-in depths

### Lower Torque

The highly efficient StarForm™ thread lowers torque and achieves optimum insertion into all kinds of brick, stone, concrete and wood.
