- Designed for use on SDR 11 & 17 PE pipe without an insert
- Quick and easy to fit
- Positive stops prevent over tightening
- Mechanical locking grip ring prevents axial pipe movement
- Covers pipe diameters from 63-315mm
- Flanged: PN16
- Coating: 250 micron Epoxy
- Material: Ductile iron GGG-40.
- Grip Ring: Steel with electrolytic coating
- Gasket: EPDM

Alternative to the Viking Johnson AquaGrip
