ELF-110	110	205	181
ELF-125	125	211	196
ELF-140	140	211	212
ELF-160	160	232	235
ELF-180	180	232	255
ELF-200	200	290	284
ELF-250	250	320	335
ELF-315	315	360	400

- Designed for use on SDR 11 & 17 PE pipe without an insert
- Quick and easy to fit
- Positive stops prevent over tightening
- Mechanical locking grip ring prevents axial pipe movement
- Covers pipe diameters from 63-315mm
- Flanged: PN16
- Coating: 250 micron Epoxy
- Material: Ductile iron GGG-40.
- Grip Ring: Steel with electrolytic coating
- Gasket: EPDM
- Bolts: DACROMET coated bolts, nuts and washers

Alternative to the Viking Johnson AquaGrip
