

Mini Toilets & Showers

Toilet Huts, Shower Huts and Combination Huts

Our **Mini-Toilets & Showers** are a range of small Toilet and Shower Cabins ideal for use as small welfare facilities or additional welfare facilities where required.

All Mini units are manufactured to order and can be manufactured to suit any size or layout requirements our clients may have.

Mini Toilets and Shower Units are similar in construction to our Jackleg Cabin and Security Hut Ranges and come fitted as standard with a plastisol external finish.

"Plastisol" is 9mm Far Eastern Plywood which is laminated with plastic coated steel sheet. This gives our cabins a durable, low maintenance and attractive finish that is suitable for a variety of uses and is available in a range of colours (shown below). Doors, fascia, skirting corners and jacklegs can be supplied either in the same colour or an alternative colour if preferred.

Traditional Textured & Painted finish or Cedar Clad external finishes are also available on request.
