

GreenTek Ground-Guards™

Access Trackway **HIRE**

Available from:

GRADE 1
HIRE & SALES LIMITED

Ground-Guards can save you from this type of situation.

SITE ACCESS THE EASY WAY!

Planning the use of Ground-Guards into your job before you start saves time and money whilst increasing site safety. Keep your jobs safe & profitable whatever the weather!

Incredible Strength!

Ground-Guards are guaranteed unbreakable by vehicles up to 60 tonnes, ideal for safely moving heavy equipment round the site with minimal ground disturbance.

Incredible Versatility!

"Since using the mats it has made the job so much easier."

Convenient to transport, simple and fast to lay out, quickly connecting together with the 'No-Tools' joiners and ready for use immediately!

"This is the best investment we've made in a long time. The money we have saved since the purchase has been a big bonus to us."

Ground-Guards Ground Protection Panels

CODE	SIZE	WEIGHT	MAX VEHICLE WEIGHT
GG48	8' x 4' (2.4m x 1.2m)	39kg	60 tonnes

Ground-Guards are guaranteed unbreakable by vehicles up to 60 tonnes. Note, it is the customer's responsibility to assess the load bearing capacity of the ground and determine what weight of vehicle it is capable of safely supporting. Ground-Guards are not suitable for bridging purposes.

GreenTek Ground-Guards™

Ground protection for:

- Construction Sites
- Landscaping
- Events

GreenTek Trench-Guards™

- ✓ Superior safety trench cover system
- ✓ Ultra tough plastic does not splinter on edges
- ✓ Panels interlock without tools for safety
- ✓ Steel reinforced honeycomb structure
- ✓ Light-weight easy to handle
- ✓ Will support a load of 500 kg per wheel over a 600mm trench
- ✓ Size: 1.4 x 0.8m

Interlocking flanges safely hold Trench-Guards together.

No sharp splintered edges (unlike fiberglass boards).

Heavy duty rubber end ramps.
