Five Applications In One!

- 🌿 Air Barrier
- 🌿 Insulation
- 🌿 Water Resistive Barrier
- 🌿 Vapor Barrier
- 🌿 Drain Plane

Multiple Control Layers

HEATLOK SOY 200 PLUS combines multiple control layers into a single application, saving both time and money on construction costs, while helping create "the perfect wall system*". When you choose HEATLOK SOY 200 PLUS for your project, you combine an air barrier, water resistive barrier, vapor barrier, drain plane and high R-value insulation into a single, efficient application. With nearly unmatched versatility, technology and quality, HEATLOK SOY 200 PLUS is the smart choice for commercial, residential, multifamily and agricultural construction.
