

Vista Vandal Resistant Range

Ideal for:

Applications such as:

- Prisons
- Schools
- Hospitals
- Car Parks
- Tower Blocks
- Other areas with high risk of vandalism

Designed for the harshest environments

The Vista Vandal Resistant range offers the ultimate protection against excessive force and removal attempts, ensuring the best chance of recording vital footage when required. Designed in a cool grey casing to compliment the Vista camera range, the vandal resistant range offers durability, reliability and high picture performance making them ideal for use in shopping centres or car parks.

- Monochrome and colour cameras available
- Discreet Design
- Fits in with modern decor

Vandal Resistant Range
