about us

Fast Stop Securities Limited was established in 2010 by Christine Malik (Director), we are rapidly becoming a well established security company and are expanding nationwide.

Fast Stop Securities Ltd provides a security services in static guarding, manned guarding and for commercial and industrial markets throughout the United Kingdom.

We take pride in being reliable, professional and friendly in the day-to-day dealings with customers, resulting in many long relationships being developed.

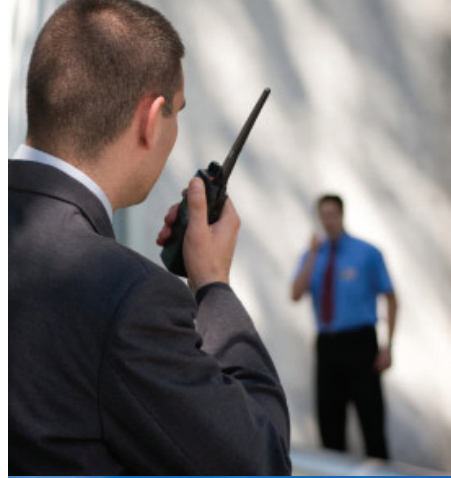

customer comes first

At Fast Stop Securities Ltd we firmly believe in customer service, all our supervisors receive training on management skills, we specialise in the provision of professional security personnel of local and national sectors across the UK, our officers are the frontline and represent both Fast Stop Securities Ltd and our client.

mission statement

We have a clear, strategic vision that enables us to deliver the highest quality service to our clients whilst creating a safe and secure working environment for our staff and our client.

Our commitment, investment in training and continued development of personal facilities, the enhancement of professional standards in all aspects of risk management. Our competence and adaptability supports the growth and development of our business and customers.

why choose us?

As professional security company we offer more of a service than just providing personnel. Establishing local with the authorities and attending meetings for instance, can assist the smooth development of your business. Regular management visits, whilst the security are in place, helps you to establish a confident rapport with the company, easing communications and dealing with things effectively before they become major issues.

what makes us stand out?

WE LISTEN We insist on understanding the requirements and view of our clients both good and bad.

WE PLAN We lay out initial plan to highlight priority actions

WE COMMUNICATE We speak with all our parties and insure every one is aware of what is happening and when

WE ASSESS Our management team constantly analyse the resources in position and the effectiveness levels
