

Galleria^{museum}
individually handcrafted poles

This collection has been influenced by themes around the world; from the darkest depths of South America to the vibrant streets of India, culminating in a stunning collection that will enhance any room.

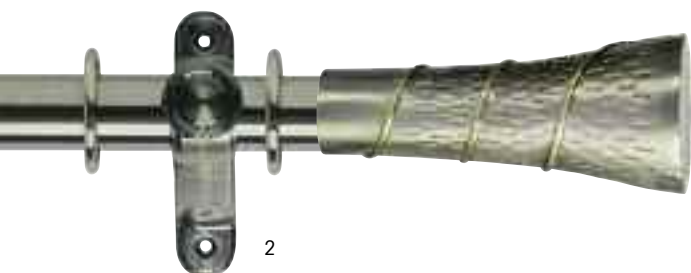

Natural materials - wood, stone, mother of pearl, beads and glass together with elaborate metalwork compliment and enhance the intricate craftsmanship.

combinations

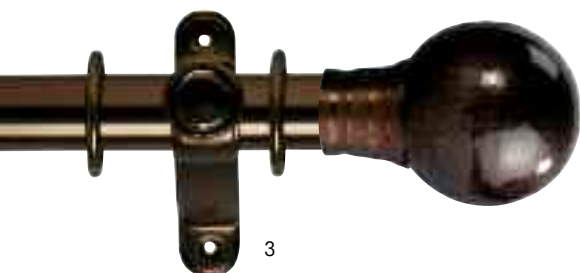

The poles below are shown for guidance only. All Galleria poles can be ordered as individual components, if you wish to order a combination of your own choice please refer to the following pages, or call our sales office for assistance.

Galleria
MUSEUM
individually handcrafted poles

Specification: All 35mm poles are available in three alternative finishes, Bronze effect, Brushed Silver effect and Burnished Brass effect. Finials, rings and brackets sold separately. All poles supplied in one piece, all 35mm poles sold with joining piece, enabling you to join two poles of the same length together. A centre bracket is required to support all metal poles 1.8m or longer. Maximum curtain weight is 16kg (35lbs). Free cut to length service.

Packing: Wrapped in cellophane, and boxed.
