

ECO7+ Welfare POD

Secure – Efficient – Welfare Accommodation for up to 7 staff
MOBILE - ECONOMICAL - ANTI-THEFT - VANDAL RESISTANCE - HSE COMPLIANT

eco Welfare Hire's ECO7+ the economical mobile welfare solution for all conditions and applications

- Accommodates 7 staff
- Spacious well equipped canteen
- Mobile & lightweight (2,000kg)
- Secure and vandal proof
- High fuel efficiency
- Low maintenance costs
- Very compact and secure when parked

The ECO-7+ has an extra-large canteen fitted with a large table. The ergonomically designed interior provides a welfare space suitable to accommodate 7 staff in comfort.

Developed to operate in the toughest of conditions, the ECO-7+ is a fully contained mobile welfare unit, with separate drying room and toilet. Compliant with HSE regulations, the ECO-7+ also provides high fuel efficiency combined with low maintenance costs and low noise emissions.

The ECO-7+'s design ensures a secure and vandal proof unit whose light weight and aerodynamic shape results in a unit that is very stable and easy to tow. With an innovative retractable drawbar, as standard, the ECO-7+ is very compact and secure when parked.
