

Bobcat

The most cost-effective, accurate, powerful entry into Structural Analysis available today

Integrate with CATS[®] Modal or STAR6[™] for the most accurate, convenient data acquisition tool ever

Bobcat, built for:

- ▶ Vibration Analysis
- ▶ Transient Analysis
- ▶ Acoustical Analysis
- ▶ Modal Analysis with enhanced features
- ▶ Swept Sine Analysis, with Tracking Filters
- ▶ Signal Analysis with optimal displays
- ▶ Simply making accurate measurements

Spectral Dynamics . . . We do things right!
