

## ► Vision Microscope Range

*available for hire or purchase for your clinical trial.*

### Overview

Each Vision model is chosen for its particular features to fill many microscopy needs in a variety of applications. Our line ranges from inexpensive quality microscopes, to full-featured professional laboratory instruments, with various options inbetween.

Vision microscopes are equipped with precision DIN\* optics (\*Deutsche Industrie Normen, a recognised universal industry standard for microscope objectives). All microscopes are packed in fitted protective Styrofoam and various upgraded accessories are available upon request.

### Specification

- Specification depends on the individual model
- All microscopes are CE certified
