Heritage Envelopes Limited, Heritage House
Davyfield Road, Blackburn, Lancashire BB1 2LU

As one of the largest manufacturers and distributors of envelopes in the UK, Heritage Envelopes has an established reputation for quality and service. Our manufacturing facilities are based in Lancashire, close to the motorway network, making it convenient to deliver to our customers nationwide.

Manufacturing 24 hours a day throughout the year, we have the capacity to produce over 60 million envelopes per week and offer a comprehensive bespoke and printing service to accommodate a wide range of customers, so you can be confident that we are in control from the moment you place your order, through manufacturing to delivery. We hold an extensive stock range to suit most requirements, available for prompt delivery and facilities to print your envelopes to your design.

OUTERs & BRES

Mail-inserting machine wallets

We hold in stock for immediate despatch, a range of the most popular mailers and our range includes standard and over sized outer and BRE sizes for high-speed machine insertion.

- Trapezoid flap shape
- Standard Inside side-seams (*Outside seams by special request*)
- Standard size or oversized options
- PVA gummed flap
- White and manilla paper grades
- PEFC certified as standard
- Printed security opaque

Flexo Printing

We can print 1-4 colours flexo during manufacture, which means you can add print cost-effectively whilst we make your envelopes.

Litho Printing

1-5 colour print, including 4 colour process. We print envelopes in our own factory so you can be sure we are in control of your order from production to delivery. Litho printing allows us to give you the highest print quality and a quick, efficient service.

For details of our stock range or for a print quote please contact our sales office on 01254 278 200
