Front loading clear plastic ticket holder, where the front pulls forward allowing the card to be inserted, enabling quick and easy updates. Self-adhesive or magnetic backed.

White card insert included.

Easy wipe location marker

Pre-cut magnetic markers ready to provide an instant identification solution. Used in conjunction with wet wipe marker pens, they can be easily wiped clean and updated when required. Ideal for use in cold store locations. Available in white and yellow. Please specify when ordering. Other sizes are available, please contact our sales office for further information.

Aisle marker

End of aisle identification markers, manufactured from a white and yellow styrene. These robust markers can be fixed flush with end frames or used as flags, to identify bays along the aisles, with a 90° flange. Markers can be pre-drilled in four corners or can be supplied with either a self-adhesive or magnetic fixing.

- Durable rubber moulded sections
- High visibility yellow and black ramps
- Tapered ends neatly complete a run
- Cat's eyes for night time safety
- The smoothly curved profile dictates a 10mph control speed, yet avoids the possibility of damage to low slung vehicles
- Any length of ramp can be formed by simply adding together the tough 500mm wide yellow and black sections
- Fixing bolts are included with all sections

for the complete solution...

Installation service

In addition to supplying you with products from our catalogue, we are pleased to offer an installation service.

Featured products can be easily and quickly assembled – if you would like our help, simply call the number shown on page 35.

Project service

For more complex requirements and for products not shown in our catalogue, we can provide you with a complete design, supply and installation service.

- Pallet Racking
- Partitioning
- Materials Handling Equipment
- Mezzanine Floors
- Mobile Shelving

We can conduct a full survey of your premises and provide you with a detailed proposal to meet current needs and future developments.

... just give us a call!
