LS15 9AD

Tel: 01189 167340

Biogenie's Skelton Grange Facility near Leeds, managed in partnership with Biffa Waste Services, is ideally located for projects across the North of the UK, and can accept and treat the categories of materials listed below.

Acceptable EWC codes:

- 01 - Wastes resulting from exploration, mining, quarrying and physical and chemical treatment of minerals
- 05 - Wastes from petroleum refineries, natural gas purification and pyrolytic treatment of coal
- 13 - Oil wastes and wastes of liquid fuels (except edible oils, and those in chapters 05, 12 and 19)
- 16 - Waste not otherwise specified in the list
- 17 - Construction and demolition wastes (including excavated soil from contaminated sites)
- 19 - Wastes from waste management facilities, off-site waste water treatment plants and the preparation of water intended for human consumption and water for industrial use
- 20 - Municipal wastes (household waste and similar commercial, industrial and institutional wastes) including separately collected fractions. Includes 200303 gully wastes.

How to Find us:

From the M1:

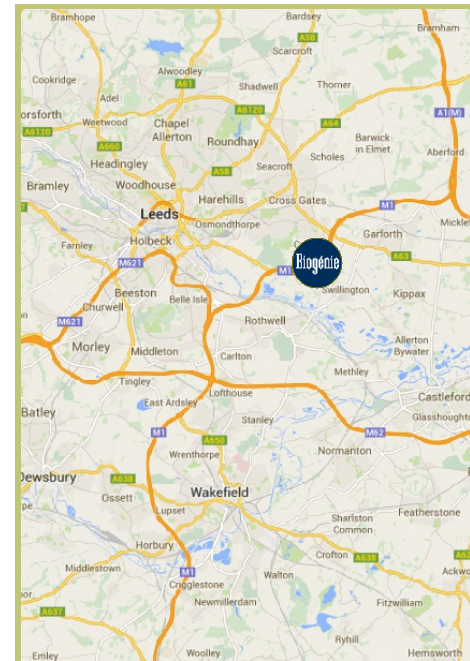

Exit at J45 and take the 2nd exit on to Pontefract lane, the site is on your right.

From the M62:

At J29 take the exit on to the M1, then follow instructions as above

From the North (A1):

Keep right after J44 of the A1(M) to merge on to the M1, following signs for Leeds/Manchester/M62  
Exit M1 at J45 and take 1st exit on to Pontefract lane, the site is on your left.
