

Greensted

Outdoor Furniture

Branson Leisure steel furniture is designed not only to be functional and elegant, but is also immensely strong and therefore highly vandal resistant. The 100% steel construction is available with a choice of three finishes:

- Polyester coated
- Galvanised
- Polyester coating on galvanised

For coastal regions where a high salt element is present in the atmosphere, a galvanised finish is recommended.

As all our furniture is built to order, it is possible to vary the size and colour from the standard specification. We would be pleased to quote for any special requirements.
