

About your new
windows

THE BEST WINDOWS ARE MADE FROM PROFILE 22

Quality windows from Profile 22

Another quality installation

Congratulations on your new window installation! We hope that your new windows have made a massive difference to the way your home looks and feels. This leaflet provides information to you about the product that has been installed in your home.

What can you expect from your new windows

The latest high performance windows won't just keep you warm; they can also reduce your fuel bills. According to independent figures heat loss can be reduced in your home by up to 50%, saving up to £243 per year.

Quality Assurance

Profile 22 has steadily amassed an unrivalled reputation for quality and reliability. Our certifications and approvals speak for themselves:

Interesting facts about your new windows

- Energy-rated windows will save energy and reduce your heating bills
- High quality windows provided by an industry leader with 30+ years' experience
- Profile 22 is used in over 52,000 window frames every week
- Improved security
- Easy to operate
- 10 year warranty
- Meets all British standards and is fully accredited
- Installed by an Approved Window Contractor

Secured by Design

Our products achieve the requirements of Secured by Design, the official UK Police flagship initiative that supports and promotes the principles of crime prevention through secure design and engineering.
