

# Provap 7 Vac M-P5573210

**OSPREYDEEPCLEAN®**  
STEAM CLEANING TECHNOLOGY

The new ProVap 7 Vac steam cleaner is the solution to a variety of cleaning problems within a variety of environments where the highest hygiene standards prevail. It provides efficient cleaning and sanitising with the added benefit of a detergent injection facility. The ProVap 7 Vac is ideally suited to Health & Residential Care environments and Clean rooms where the fight against MRSA and other "Superbugs" are amongst the biggest concerns for Medical Professionals today.

The ProVap range has been subject to independent, scientific, bactericidal efficacy and healthcare environment viability studies. Following these studies, the results show that the ProVap 7 Vac provides a consistent and reliable tool which can be successfully integrated into the cleaning and infection control practises that are recommended for Healthcare Environments.

## Provap 7 Vac

|                             |                      |
|-----------------------------|----------------------|
| Power Requirement           | 230 Volt 50/60Hz     |
| Maximum Power               | 2600 Watt            |
| Steam Pressure              | 7.0 Bar. Nominal     |
| Boiler Capacity             | 2.7 Litres           |
| Boiler Material             | RVS AISI 304         |
| Heating Up Time             | Approx. 7 minutes    |
| Autonomy                    | Continuous Operation |
| Detergent Facility          | Yes                  |
| Detergent Tank Capacity     | 5 Litres             |
| Indicator for lack of water | Yes                  |
| Cable Length                | 4 metres             |
| Machine Dimensions (cm)     | 49cmx43cmx105cm      |
| Net Weight                  | 32Kg                 |
| Shipping Weight             | 36Kg                 |
| Certification/Marking       | GS-TUV, CE, IPX4     |
| Max. Boiler Temperature     | 175°C                |
| Adjustable Pressure Output  | Yes                  |
| Incorporated Vacuum Unit    | Yes                  |
| Wet/Dry Vacuum              | Max. 1200 watt       |
| Vacuum Tank Capacity        | 6 Litres             |
