software and service

1 Select...

... the design you require, then select the shape of the framework profile - either triangular, rounded or square. Profiles are finished in etched silver but can also be supplied in other finishes on special order.

2 Specify...

...the specification that meets your needs:

Unit size - we show the most popular size for each unit but we can supply any size you require.

Panel Finishes - choose from a standard range of laminates or define your own, including mirror.

Lighting - LED spotlights & light bars. Low voltage spotlights or downlights. Fluorescent & compact fluorescent lighting.

Base Details - inset plinths, castors or legs.

3 Plus...

...if you don't see what you need in this brochure don't despair, just call our Sales Department. We have the of the most comprehensive display system currently available and we can make almost any display option you can think of - including curved units.
