

SCANIA

Steering and Suspension Catalogue

Edition 1

Introduction

Bison Parts are one of the UK fastest growing Commercial Vehicle specialists of steering, suspension and body components.

All products are new, unused and made to original equipment specification. Allowing peace of mind and easy assured fitment.

Our Steering Component range cover most major manufacturer including: Daf, Foden, Iveco, Man, Mercedes, Renault, Scania, and Volvo. We work hard to source new models and are always looking to add to our range.

Products we specialize in include: Drag links, Track Rods, Kingpin Kit, Suspension Bushes, Shackle Pins, Torque Rods, A frames, Repair Kits, Air Brake, Ball Joints, Propshaft Centre Bearing, Fuel Caps and Many More.

We pride ourselves on offering competitive prices on a wide range of quality products, while not compromising on price over quality.

We offer a next day delivery services (UK Mainland) on all orders placed before 4pm, subject to availability. So get all your products from a reliable and fast source!

For More information or extra technical help please contact us on 07792813409 where we will be pleased to help you and take your order.

*Do you run a fleet of vehicles or a small Factor Group? If so, why not contact us and see what we can do for you. If you require larger quantities then contact us for a bespoke quote.

If you can not find what you are looking for in our catalogue please contact our technical sales on the numbers below.
