

BEACONS

6465 Series LED Beacon

ECCO's maintenance free 6465 Series LED Beacon features a Pulse8 flash pattern, producing a warning signal that is ideal for industrial-type applications. The long, maintenance-free service life of LED technology make this a perfect replacement solution for existing strobe beacons. This cost-effective light features a wide 12-80V operating range that also makes it ideal for use on electrically-powered vehicles and equipment.
