

FLEETFOB

AIR-serv is a market-leading supplier of forecourt vending machines operating in the UK and Europe with a strong commitment to sustainability and minimizing environmental impact. Our innovative, fully AIR-serv managed fob designed to make life easier for fleet managers, transport supervisors, and logistics teams.

With **Fleetfob**, you can expect:

- **Seamless Fleet Washing:**
Simplified and traceable for busy fleets
- **Cost efficient:**
Cut down on petty cash claims and admin time
- **Efficient Tyre Inflation:**
Keeping tyres at optimal pressure for safety and performance
- **Enhanced Health & Safety:**
Smart management that reduces accidents

We're excited to demonstrate how it can transform fleet management through automation and smarter processes.
